*Austrian EQAVET NRP Project*

*Peer Learning activity on VET Teachers Involvement in Quality Management systems and Quality assurance Procedures*

# **DEQA-VET: Organization, activities and examples of good practice**

Dr. Chokri Guellali

Vienna, 3. October 2016

## Organizational aspects of the NRP

- Established since 2008
- Financed by BMBF (Federal Ministry of Education and Research)
- Integrated at BIBB (Federal Institute for Vocational Education and Training)
- Cooperation with DIPF (German Institute for International Educational Research)
- Staff: 3 persons in Bonn / 1 person in Frankfurt

## National steering group

8 members, representatives of:

- State: national/Regional
- Chambers: DIHK/ZDH
- Employers organizations: BDA
- Labor unions: DGB
- VET institutions: IVET/CVET

## Goals

- Promoting the development of a culture of quality and the application of quality assurance in VET
  - Contribution to transparency/traceability
  - Transfer of knowledge
- Networking of VET stakeholders and institutions at the German and European level

## Activities

- Gathering/providing of Information on quality assurance: [www.deqa-vet.de](http://www.deqa-vet.de) - Newsletter
- Publication of a brochure on quality assurance
- Organization of conferences (different formats)
- Participation in the EQAVET-Network (PLA, Working groups etc.)

## Example of good practice I: Regional conferences

Berlin 2015:

- Cooperation with k.o.s GmbH
- Topic: Good practice VET-Quality – action strategies for an attractive VET
- Design: podium discussion + 6 topic tables
- 110 participants

## Example of good practice II: brochure on quality assurance

- 11 Pillars of quality assurance in the dual system
- Equivalence to EQAVET
- Quality assurance on the system, intermediary and provider levels
